Douglas . . . The Alaska Department of Fish and Game (department) announced today that the commercial golden king crab fishery in the Southern Area will close at 12:00 noon, **Friday, May 3, 2013**.

Based on an analysis of effort levels and harvest projections, harvest as of the closure date is expected to reach the 22,000-pound guideline harvest level for the Southern Area. The department will continue to monitor golden king crab harvest levels in the remaining five open areas.
